**Frank Krueger** has been a small business owner in District 4 for over a decade. While building his mobile app business, he led free continuing professional education efforts for adults, volunteered in after-school STEM education programs for kids, and helped immigrants navigate the US immigration system to legally enter the United States.

**Stabilizing rent prices and property taxes**

**Ensuring neighborhoods have a say in zoning decisions**

**Ensuring that the homeless are healthy and are navigated to housing when possible**
